EXPERT SOLUTIONS

SUSTAINABLE FUTURE

# OUR PRODUCTS

High Performance Solutions for Every Energy Need

## 1 SOLAR PV MODULES

- High efficiency
- Mono & Poly options
- Durable & reliable
- Various power ratings

## 2 MILK CHILLERS (ACE MACHINERY)

- 500L – 5,000L
- 3-Phase power supply
- Efficient cooling
- Durable & easy to maintain

## 3 MILK COOLING TANKS (MUELLER)

- 500L – 5,000L+ capacity
- Model O & Model P
- Stainless steel
- Superior insulation
- Reliable & efficient

## 4 MUELLER CHILLER

- Glycol based cooling
- Instant & pre-cooling
- 3-Phase 400V, 50Hz
- High efficiency
- Built for dairy applications

## 5 GENERATORS (PERKINS)

- 10kVA – 500kVA+
- 3-Phase options
- Low fuel consumption
- Reliable Perkins engine
- Easy maintenance

## 6 INVERTERS

- Hybrid, Off-grid & On-grid
- High efficiency
- Multiple capacities
- Smart monitoring

## 7 BATTERY BANKS (LITHIUM)

- LiFePO4 technology
- Long cycle life
- High energy density
- Safe & stable
- Scalable systems

## 8 VFDS & SOFT STARTERS

- Motor protection
- Energy saving
- Smooth starting
- Extend equipment life
- Multiple models

## 9 SOLAR WATER PUMPS

- Surface & borehole pumps
- AC / DC solar pumps
- High efficiency
- Built for tough conditions

## 10 ACCESSORIES & BOS COMPONENTS

- PV Mounting Structures
- DC/AC Cables & Connectors
- Combiner Boxes
- Protection Devices
- Charge Controllers
- Distribution Boards
- Tools & Installation Accessories
